

# Enchanted

The new Faerie album by Karen Kay & Michael Tingle

*10 beautifully crafted faerie songs singing of love and magic in the faerie realm.  
Spanning time and touching the soul between the worlds at twilight's veil.  
Be carried away into the heart of enchantment, to the heart of the fae.*

A four year creative collaboration between Karen Kay and Michael Tingle has resulted in 'Enchanted', a magical collection of Faerie songs and music. The 10 beautiful tracks on the CD were created in a rather unconventional way, as the pair traveled to various enchanting locations around Cornwall in Michael's mobile recording studio. Track titles include A Faery's Lament, Twilight and A Midsummer Night's Dream, with Karen providing the vocals and Michael producing the music. A very excited Karen says *"it's been a secret for a such long time, it's a pleasure to be able to share it with the world! I do hope people enjoy what they hear."* - The CD can be purchased from [www.faeriemusic.com](http://www.faeriemusic.com)
